they must dress well.

Wanting to be healthy, they
do business well

ZEAN PRODUCT

Established in 1998, ZEAN is a professional large-scale manufacturer of all types of women clothing, integrating development, production and trading together. We have 3 factories which are well-equipped and employs experienced worker and management personnel. Our annual production capability is around 720000 pieces of clothing.

NEW DESIGN

We are located in "The Silk City" Tongxiang City which is the heart of "Yangtze River Delta economic circle". Great location helps us access most of garments resources easily and convenient water, land and air transportation. We can reach Shanghai port/Airport within 1.5 hours.
